

AQ

Content creator, presenter and model

AQ is a content creator, presenter and model who has been creating content since 2013. During the COVID-19 pandemic, he grew in popularity to over one million followers on TikTok where he has a highly engaged community. In 2022, alongside a few campaigns for Adidas, he hosted their 'made Originals' live launch on TikTok.

On Instagram, AQ has worked with notable brands such as Carolina Herrera, Lacoste, and Versus Versace. As a model, he has also walked in London Fashion Week for brands like Spencer Hart, and has featured in a number of modelling campaigns. In addition to creating content and modelling, AQ also has his own brand called ROUH STUDIOS.
