

Mira Riad

Esports Presenter, Host and Analyst

Mira Riad, widely known as 'Ephey', is a top Esports presenter, host and analyst.

Mira is best known for her insights on Dota 2 – the multiplayer online battle arena video game which has inspired a global esports scene with professional leagues and tournaments around the world.

Since making her debut as a caster in 2021 at WePlay AniMajor, the major Dota 2 tournament, Mira has gained a well-deserved reputation as one of the most respected talents in the Dota 2 scene.

Not only is Mira respected for her sharp analytical judgement, she is widely appreciated for her engaging personality, which has helped to grow the Esports phenomenon on a global scale. This includes her commitment to ensuring the Dota

2 community remains welcoming to all.

In addition to her role as a presenter, Mira is a popular content creator on platforms like YouTube, Instagram and Twitch, where she shares her love of gaming.
